

## Roosters Kids Club News Letter April 18

To Parent and Carers,

### Questionnaires

We are a little disappointed in the response to the questionnaires, only 5 out of 60 were returned to us so this makes it very difficult to evaluate our service and your demands. If you still have the questionnaire could you please fill them out and return them or if you would like to complete one please download it from the website. ([www.roosterskidsclub.co.uk](http://www.roosterskidsclub.co.uk))

### Holiday Club

There was a high demand within all 5 questionnaires of us opening earlier during holiday club, after a discussion with the staff we will now be opening at 7:30am until 6pm, however, the fee's will increase to £22.00 per day except for those with three or more children who will remain at the £21.00 fee. Please note the holiday club does not provide a breakfast but upon registration, a slice of toast will be offered to your child/children. Please ensure your children eat breakfast before coming to the club.

We have noticed that children are getting hungry during the afternoon period, so if your child is in for a full day we recommend you supply an afternoon snack for them. Please note we are a nut free zone and promote healthy eating.

The holiday plans are now out and bookings are now being taken, a non-refundable deposit of £10 per child per day is required upon booking. We require all bookings to be in no later than Friday 18th May 2018.

### Afterschool Club

Can we please remind you all that a £8.50 charge will be added to your bill if you arrive after 6pm to collect your child/children, we understand unforeseen circumstances cannot be helped and in these circumstances, we may be able to make exceptions.

Also, a 10% charge will be added to your bill if you do not pay by Friday 6pm, can we please remind you, you can pay by bank transfer if you wish using your child's name as a reference. Please ask for managers for details.

We are now offering collection from afterschool activities, please let us know if you require this service.

You may have noticed we have now coned off the yellow lines outside the main door of the club to avoid parking and to keep your child safe. If for any reason you need to be that close e.g. other children in the car, mobility problems etc. please let us know and we will bring your child out to you.
